

Commonly Asked Questions

Which plastics can be recycled?

The container will show a number inside a triangle of chasing arrows. #1 or #2 can be recycled in our area.

Should I remove caps from my plastic bottles?

Yes. These caps are typically not recyclable.

Do I need to remove labels? No.

Which glass is recyclable?

Beverage bottles and clean food jars. NO windows, drinking glasses, mirrors, dishes, picture frame glass, coffeepots or light bulbs.

What can I do with appliances?

Appliances can be taken to a scrap metal dealer to be recycled.

Is it really necessary to rinse my recyclables?

Yes. Liquids or food residue contaminate the materials and prevent them from being recyclable. Be sure recyclables are clean and dry before recycling.

Can I recycle plastic bags?

Yes. Take bags to a local grocery store (which typically have bins near the entrance) or to the Metro Mobile Recycling Drop-Off Center.

Benefits of Recycling

- Conserve Natural Resources
- Conserve Energy
- Reduce Air and Water Pollution
- Reduce Overall Environmental Damage
- Reduces the Volume of Waste Material Disposed of in our Local Landfill

Recycling Opportunities Throughout the Year

Recycle your Christmas Tree!

Instead of taking your Christmas tree to the landfill after the holidays, recycle it at one of these locations:

Parkway Plaza
2655 Dauphin Island Parkway

Wildwood Place
4055 Cottage Hill Road

Westwood Plaza
Airport at Schillinger

Park Forest Center
Moffett Road at Forest Hill Drive

Clover Leaf Plaza
Tillman's Corner

Recycle Your Christmas Tree Lights!

Holiday lights can be recycled at the Metro Recycling Drop-off Center. Lights collected at the center are donated for various community garden projects!

Recycle Mardi Gras Beads!

Mardi-Gras beads can be recycled at the Metro Recycling Drop-off Center. The beads are donated to Augusta Evans School for reuse in future parades!

Recycling Baskets!

Recycling baskets are available for use at neighborhood or community events!
